

# ROBOTICS

## SciWorld

*SciWorld Robotics brings Lego NXT Mindstorms into your classroom*

Using our laptops, students will be able to program the robots within minutes to perform simple tasks! They will also be taught to program increasingly complex tasks including response to touch and sound.

### How it works:

For Years 4–7

Middle School advanced program available

\$660 inc GST per day (metro + near country)

gives you 3 x 90min classes

Up to 30 students per class

Discounted rates for  
multiple day bookings!

Ask us about regional rates
